CONSTRUCTION OF A BRIDGE ACROSS MATHIHALLA.

Q.—57 Sri D. T. SEETHARAMA RAO (Bhadravati).—

Will the Government be pleased to state:—

(*a*) whether it is a fact that the ryots are unable to cross Mathihalla due to the spread of back water of the Anvery distributary of the Bhadra right Bank Channel which flows across the halla ;

(*b*) if so, whether an estimate for constructing a bridge across the halla has been submitted to them for sanction ;

(*c*) the time required for constructing the bridge ?

A.—Sri H. K. VEERANNA GOWDH (Minister for Public Works and Electricity).—

(*a*) There is no trouble in crossing Mathihalla at present, as the anicut across the halla is not yet completed and there is no back-water.

(*b*) After the completion of the anicut (expected to be completed by June, 1961) there will be back-water for a length of 2 furlongs above the anicut. The estimate for a bridge is under preparation.

(*c*) The construction of the bridge is programmed to be completed by about March, 1962.

MEMBER'S REPRESENTATION

Sri MAHAMOOD SHARIFF (Broadway).—What arrangements have been made to incorporate Urdu and Marathi speeches in the proceedings?

Mr. SPEAKER.—No arrangements have been made. The Members have been asked to supply a summary of what they spoke. That will be incorporated in the proceedings provided a summary of the speech made is given to the Speaker in time. He can give a summary of it in English or in Kannada. If he wants to give it in Urdu itself he can do so.

Sri MAHMOOD SHARIFF.—On several occasions representations have been made that so far as some major languages are concerned, some persons knowing Shorthand in those languages may be appointed and I think you gave a promise also to consider the matter.

Mr. SPEAKER.—I considered the matter. It is not so simple as it appears. No Marathi knowing Reporter is willing to come here. Another thing is that it is very difficult to find a Hindi-*cum*-Marathi Reporter.

Sri MAHMOOD SHARIFF.—In any case, so for as Urdu is concerned, there are some people.

Mr. SPEAKER.—We cannot make any arrangements for Urdu because after all, there may be one or two persons who want to speak in Urdu. But nobody has spoken in Urdu till now.

Sri. MAHMOOD SHARIFF.—There are many people coming from Hyderabad who wish to speak in Urdu.

Mr. SPEAKER.—I think the Member speaks for the House. Naturally if he speaks in a language which is better understood by other Members.

Sri MAHMOOD SHARIFF.—May I submit there are several members who would like to speak in Urdu?

Mr. SPEAKER.—I know there are some members who want to speak in Urdu. It is for the pleasure of speaking in Urdu but nobody understands it.

Sri RAMAKRISHNA HEGDE.—Is there any arrangement made for recording Hindi speeches?

Mr. SPEAKER.—I tried to make arrangements for recording Marathi and Hindi speeches. I tried to get a Reporter from Bombay but it was not possible.
